

# Fashion Designer

2 Year – Course (On Saturdays only)

## Aim of the Course

The aim of the course is to train creative figures, who the Style department can refer to, able to understand and put company's mission and identity into Fashion Collections.

## Educational Path

The educational path, conceived for people who already work in the Fashion System and who are looking for a Professional Specialization, consists of a Two – Year study course .  
During the first year students will acquire the core knowledge in properly drawing a fashion sketch in order to express a creative idea in a unique way. The following step is a Fashion Trend approach and the creation of a first Fashion Collection. During the second school-year students will accomplish a complete drawing technique nurturing an exclusive personal style through developing new illustration techniques. Students will create and elaborate Fashion Collections, which meet the Market and Trends requirements, after analyzing social, economic and cultural facts.

## Professional Figure

A Fashion Designer is a creative figure who creates Fashion Collections, mixing a personal style with harmony and a proper balance in shapes. He determines , inspired by a creative – minded attitude and after a close Market analysis, the final customer's look and choice by keeping him/her constantly updated through seasonal collections. He works very closely with the Style and Design Department and interacts with the main professional figures who manage fashion sample - collections in a company.
