Una sola sfilata. Quaranta nuovi talenti. Una location esclusiva.
E' in queste poche ma intense parole che si racchiude la magia vissuta pochi giorni fa nel cuore di Bologna. I giovani designer della Next Fashion School di Carla Secoli hanno presentato le loro creazioni ad un vasto pubblico all'interno di Palazzo Pepoli che, per la prima volta, ha ospitato un evento di moda. In esclusiva nel capoluogo emiliano, due pilastri storia italiana quali arte e moda, si sono fusi insieme in una location mozzafiato. I sessantacinque abiti scesi in passerella hanno mostrato tutti i lati che ogni donna ha dentro di se: sensuale, carismatica, guerriera, elegante, sexy, intraprendente e coraggiosa. I veri protagonisti sono stati i dettagli, curati nei minimi particolari dalle giovani ma già esperte mani di ogni studente.

La serata, organizzata da Menichetti Eventi Studio ha visto la collaborazione di Brunelleschi Parrucchieri, KyLua e IIAM.

*A fashion show. Forty new talent. An exclusive location.
In these few but intense words it's encloses the magic lived a few days ago in the heart of Bologna. Some young designers of the Next Fashion School by Carla Secoli presented their creations to a wide audience inside Palazzo Pepoli that, for the first time, hosted a fashion event. Exclusively in the capital of Emilia, two pillars of Italian history as art and fashion, have merged together into a breathtaking location. The sixty-five outfits on the catwalk showed all the shades that every woman has inside herself: sensual, charismatic, warrior, elegant, sexy, resourceful and courageous. The real "stars" were the details treated by the young but already experienced hands of every student.*

The evening, organized by Menichetti Events Studio saw the collaboration of Brunelleschi Hair stylists, KyLua and IIAM.
